Darwin International Airport (DIA) in conjunction with Greening Australia (GA) is proud to be hosting another planting day on the airport precinct. Just in time for the Wet Season rains, this planting day aims to put around 3,000 plants in the ground and will enhance the initial plantings that were carried out in March this year.

All members of the public are welcome to attend, with a fantastic "door" prize made available through sponsor Bunnings. Participants will be provided with trees, fertilizer, drinking water, tools, hat and sunscreen.

A BBQ will take place at the end of the event at 1pm.

This event is also proudly sponsored by Clouston Associates, Protector Alsafe and SKM.
